All, here are my talking points per requested. I compiled them in a hurry so please review and edit as necessary. I hope they help. I am sure it is more information than needed but I figured it is easier to delete and add. Take care! If anyone needs to get ahold of me, my cell phone number is 720-363-1520.

Laura, I will see you in Durango on the 15<sup>th</sup>.

Paula, I have a couple of requests when I get back... give me a call.

Randy- can you help pull together this info? This sounds a bit related to questions Laura and I discussed earlier today in terms of resources already provided to tribes. Imagine we could get a lot of this from Sit-Reps in terms of meetings and outreach. Can anyone who has info funnel to Randy and cc: me?

Shaun and Jared

Can you all get us a one-pager that outlines all of our efforts and outreach with the Navajo and the S. Utes. It would be good to include any relevant stats. For example, the amount of water that has been provided to these communities.

If we could get by midday Monday that would be great.
